

## **Electrician Helper**

Byco Enterprises, Inc.

Grantsville, MD

- Competitive Salary
- Medical , Paid Time Off , Retirement
- Full-Time

### **Job Description**

Byco Enterprises, Inc. is looking to hire a full-time Electrician Helper to help install and repair electrical wiring in Garrett County and surrounding areas. The typical schedule for this position is Monday-Friday, 7am-5pm.

We pay our Electricians a competitive salary, commensurate on experience. We pay 100% of our employees' health insurance in addition to offering a 401k plan and paid time off including holidays. If you are looking for the right company to build a successful, long-term career with, please fill out an application that can be found on Byco's website.

ABOUT Byco Enterprises, Inc.

The mission of Byco Enterprises, Inc. is to "provide top quality services while operating with honesty and integrity to deliver a successful, cost-effective project." Our goal is to provide professional services in an innovative manner that exceeds the expectations of our customers and surpasses all others in the Electrical industry.

We've built our business by hiring quality individuals that focus on the client's experience. We are striving to earn our client's business for the long haul. This means providing value to and establishing trust with our clients that gets them excited to tell their family and friends about us. And it takes great people to accomplish that. This is why we offer our team competitive compensation, generous benefits, and a great work environment.

### **QUALIFICATIONS FOR AN ELECTRICIAN HELPER**

- Construction or electrical experience a plus (on the job training can be provided)
- Maryland Electrical license or a strong desire to work toward getting licensed
- A valid driver's license and a clean driving record
- Ability to pass a background check and periodic drug testing
- Availability for after-hours emergency service if needed

Are you motivated to further your career as a skilled technician? Are you dependable, hardworking, and attentive to safety? Are you friendly and customer service-oriented? Do you have good communication skills and the ability to express technical information in layman's terms? Do you have a positive, can-do attitude? Do you present yourself professionally? Are you respectful of others and their personal property? If so, please apply today!
